**Partnership with the Ludwig-Maximilians-Universität München,
MUST Programme 2018**

Dear Dean,

Next summer (July 3rd – 27th, 2018), the Law Faculty of the University of Munich will offer the 18th **Munich University Summer Training - MUST**. The course provides an in-depth introduction to German and European law in English. For a selected group of highly motivated students and talented young lawyers from all over the world, this will be an excellent opportunity to study in a challenging international atmosphere. Classes will be taught by members of the Law Faculty, most of them leading scholars in their respective fields. In addition to the teaching programme, a host of extra-curricular activities will be offered.

The Ludwig-Maximilians-Universität is interested in intensifying the partnership with your university. We would be pleased if we could invite excellent students and postgraduates from your faculty to participate in the programme of 2018. It would also be helpful if you would recommend and motivate talented students and graduates from your law faculty to apply for MUST 2018. Attached you will find some additional information, which is also available under:

Please do not hesitate to contact me if you need further information. Thank you very much for your support.

Yours sincerely,

Prof. Dr. iur. Thomas Ackermann, LL.M. (Cambridge)
